

24 November 2023

Dear Parents

We would like to thank families for attending our annual Carols by Candlelight on Friday, 17 November and for the kind donations towards the Rustenburg SPCA. Together we raised a record amount of **R41 511.72!** Our core values of **CARE** are such an important part of our school culture, but it is you that bring them alive.

The year is quickly drawing to an end, but there are still activities taking place throughout the school as well as the ever important assessments. Together we can finish strong, grateful and optimistic for the results to be reflected in learners' reports.

Stay safe, take care and God bless.
Warm regards
Mrs Amanda Coetzee
