

NEWS FLASH

It's time to celebrate all the hard work that led to these wonderful results!

Dear Parents,

21 January 2022

What a fantastic week we had. It was lovely to see our parents attend our first parents' information evenings and hear about the positive conversations that took place across the school. Thank you to the RCLE and Grade 7 leaders who assisted our parents at this critical event.

We are also thrilled to announce that our class of 2021 achieved a 97.3% pass rate, 99 distinctions with 78% Bachelor Pass rate. We are incredibly grateful to our team for their hard work. Congratulations to everyone who reached their desired results, and to those that did not pass, do not get depressed or demotivated; work harder, and you will succeed. We wish our class of 2021 the best of luck for all their future endeavours.

School spirit goes far beyond our typical fun afternoons and can create a welcoming, motivating environment for our learners, staff and parents.

We rebranded and reintroduced our house logos and mascot, "Fieldzee", at our Inter-house Athletics meetings for primary and high school. It was a day when inter-house rivalry and sporting prowess came together in a wonderful carnival atmosphere. Not only were the athletes determined and enthusiastic, but the supporters on the stands battled it out for the Spirit Cup; such events bring people together, building unity towards achieving a common goal.

What a start to 2022!

God bless and keep safe

Mr Imran Shabbir – Deputy Principal

Matric results

Dear Fields family. We are profoundly proud of our learners, teachers, parents and wider school community who have worked so hard in exceptionally challenging circumstances.

We are thrilled to announce a 97% pass rate for our 2021 matric group. Together we achieved a 78% Bachelor Pass rate and 99 distinctions.
