# Messsage of the week:

Dear Parents, Guardians and Learners,

As we approach **National Women's Day on Saturday, 9 August**, we take this opportunity to pause, reflect, and celebrate the incredible women who make up the heart of our school and community.

From our classrooms to our offices, from our school grounds to your homes – **women are leading, nurturing, teaching, supporting, and inspiring us every day**. We are proud to have strong female representation on our **Parent-Teacher Association (PTA)** and **School Governing Body (SGB)**, and we are equally proud of our dedicated **teachers, office staff, and support team**, many of whom are remarkable women.

And of course, we honour our **precious mothers, grandmothers, aunts, sisters, and caregivers** – the first teachers in every child's life.

Women's Day is more than a date on the calendar. It is a chance to say **"Thank You"** and to recognize the strength, love, and resilience that women bring into our lives, every single day.

We invite all our learners and families to join us in celebrating the women in our school and beyond. Let's show our appreciation through kindness, gratitude, and by standing together to uplift and empower women in all roles and walks of life.

With appreciation and respect,  
Mrs Cristine Joubert
